is the story of humanity far older and richer than the institutions of society have led us to believe using archaeo astronomy religious stories ancient artifacts and our modern understanding of human evolution rj von bruening presents a compelling and thought provoking case to suggest that it is in the forbidden knowledge of enoch you ll take a unique and fascinating journey into the almost forgotten story that is told through the ancient unhidden symbols that surround us today taught in the mystery schools and religions that still exist a single understandable story has been woven together from a great number of ancient mysteries religious stories and modern conspiracy theories it will give you the first true understanding of the depth and scope of the cultural phenomenon of satanic new world order in the process the forbidden knowledge of enoch provides a radically new timeline and interpretation of the entire biblical tradition

the incarnational art of flannery o connor argues that o connor designed a unique aesthetic to defy the gnostic dualisms that characterize american intellectual and spiritual life focusing on stories with artist figures objets d art child protagonists and embodied images lake describes how o connor s fiction actively resisted romantic theories of the imagination and religious life by highlighting the epistemological necessity of the body ultimately o connor challenges the romantic and modern notion of the artist as a fire stealing prometheus and replaces it with a notion of the artist as a locally committed craftsman drawing upon m m bakhtin s early essays in art and answerability and toward a philosophy of the act lake illustrates o connor s conviction that art deliberately assigns the highest value of transcendental beauty to those beings least valued by the modern world and challenges us to do the same the book culminates with an original reading of parker s back that shows how in art as in life true knowledge comes to us through our own grotesque bodies and those of others unafraid of the mystery of being human art can be the place where we encounter anew the world as more than what the intellect can unravel

cutting across disciplinary boundaries and challenging traditional understandings of historical cultures this handbook examines the ways in which gender sexuality and religion were mutually constructed and negotiated in ancient near eastern societies chapters look at ritual and ceremonial practices iconographic representations mythological and divinatory texts personal beliefs and piety the book explores these topics by adopting religion as a category of inquiry to understand gender roles and the intersections of sexualities with religious worldviews with a focus on particular case studies this volume provides a broad and interdisciplinary overview of key areas and issues across the study of religions genders and sexualities in the ancient near east each section is introduced by the editors with a discussion of relevant terminology as well as convergences and divergences of rituals beliefs practices and themes among the contributions ranging from in depth discussions of single texts to cross cultural anthropological and sociological comparisons the international contributions showcase the latest work of established scholars as well as emerging voices

the book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in jewish apocalyptic and mystical accounts by focusing on the developments found in early enochic writings these accounts deal both with revelations unveiled by god and angels to the patriarch enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the watchers orlov argues that the map of otherworldly knowledge revealed to enoch inversely mirrors the map of illicit revelations given by the fallen watchers to humankind the study suggests that one of the possible objectives for the parallelism is that by revealing to enoch the same divine mysteries that were earlier transmitted by the watchers god attempts to mitigate the corruption caused by the fallen angels illicit instructions this book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various jewish milieus

foundations of science are specific conditions of the cosmos of human intelligence of cultural beliefs and of technological structures that make the pursuit of modern science possible each of the four foundations of scientific endeavour can be studied as a topic on its own the concurrent study of all four together reveals several tensions and interconnections among them that point the way to a greater unification of faith and science this book explores four foundations of scientific endeavour and investigates some of the paradoxes each of them raises kaiser shows that the resolution of these paradoxes inevitably leads us into theological discourse and raises new challenges for theological endeavour in order to address these challenges kaiser draws on the wider resources of the judeo christian tradition and argues for a refocusing of contemporary theology from the perspective of natural science

unlocking the dream vision the secret history of creation will take you on a profound journey into the mysterious mystical esoteric symbolism of the largely forgotten dream vision that is buried deep within the ancient book of enoch it is a unique and captivating journey that reveals one of the most heretical blasphemous and controversial accounts of creation ever told for both believer and skeptic within its pages you will learn of the ancient system of mystical symbolism and initiation that was born in the religious temples that ruled the city states of the first civilizations you will also be introduced to the radical 2 000 year old theory from the legendary library of alexandria that the true story of our own mysterious origins lays within the system of allegories and mystical symbolism of the mythologies and sacred writings of the ancient world a system that was first created by the professional class of writers known as the scribes in order to conceal and protect the forbidden knowledge of the gods and the secret history of creation itself by using this non traditional approach you will discover how the highly symbolic dream vision written by the

righteous scribe and mysterious lost prophet of the bible enoch is the key to unlocking this ancient system of mystical symbolism and the secret history of humanity it is the same secret that is still hidden within the symbolism of the mysterious esoteric brotherhoods secret societies and hidden orders of the world it is through this exceptional system of mystical symbolism created by the ancient scribes that the origin and true meaning to all the mystical symbols like the pentagram the all seeing eye and the unfinished pyramid are revealed you will also learn the answers to some of the greatest mysteries concerning the biblical story for you will find that the mystical symbolism of the dream vision contains the secrets of the watchers the giants the great flood of noah and so many more mysteries which are uncovered for the first time not only are the hidden secrets of the bible uncovered through the mystical symbolism but it will also reveal the greatest secrets of mythology and the ancient world you will understand the secret meaning to the ever famous symbol of the bull the twin brothers of legend and even the monsters of myth like the terrible hydra you will even learn the real reason why the great pyramid was built the real secret of the pleiades cluster the lost city of atlantis and the other mysterious lost civilizations of the ice age moreover with the conclusive evidence of the terrible cataclysm that befell them all you will also be presented with an entirely new theory on the identity and true origins of the mysterious figures our ancient ancestors worshiped as the gods without invoking ancient aliens or endless religious speculation

a new and transforming approach to the book of revelation margaret barker bases her study on a fresh reading of the primary sources as an old testament scholar she can read revelation as hebrew prophecy ancient temple oracles which inspired jesus and his own prophecies and influenced the whole jerusalem church jerusalem was waiting for their great high priest to return and complete the atonement at the end of the tenth jubilee this expectation fuelled the revolt against rome josephus who deserted to rome was the false prophet john who escaped to patmos compiled revelation as a record of the first generation in the future he taught the lord would return to his people in the eucharist this work illuminates the formative years of christianity in the social religious and political situation of mid first century palestine in a quite remarkable way it will have profound implications for the understanding of christian origins and the development of christian liturgy
