in this book johnston seeks to put the public interest onto the public relations radar arguing the need for its clear articulation into mainstream public relations discourse this book examines literature from a range of fields and disciplines to develop a clearer understanding of the concept and then considers this within the theory and practice of public relations the book s themes include the role of language and discourse in establishing successful public interest pr and in perpetuating power imbalances intersections between csr governance law and the public interest and how activism and social media have invigorated community control of the public interest chapters explore the role of

the public interest including cross cultural and multicultural challenges community and internal consultation communication choices and listening to minorities and subaltern publics

the importance and influence of professions in public life has grown increasingly over the twentieth century but the question of whether they subordinate their own self interests to the public interest has yet to be adequately researched within a major sociological perspective in professions and the public interest Mike Saks develops a theoretical and methodological framework for assessing professional groups in western society the empirical applicability of this framework is demonstrated with particular reference to a novel case study of the response of the medical profession to acupuncture in the nineteenth and twentieth centuries professions and the public interest will be of great interest to all lecturers and students of social policy sociology and medical sociology as well as to professional groups and their members

what is public interest law how effective is it what are the limits to litigation as a mechanism for conflict resolution in this study economists lawyers and sociologists evaluate an institutional form that is new to american society and indeed to the world the public interest law pil organization the book introduces the reader to the structure resources and activities of this nonprofit industry and also to the factors that affect pil firms in their choices of cases and methods of handling them the authors examine pil s vast range of contemporary public policy concerns these include such general topics as the environment consumerism housing employment discrimination medical care occupational health and safety education finance and taxation a number of base studies are presented and a method for economic analysis and evaluation is introduced and applied the study points to pil s success in advocating under represented interests in winning courtroom decisions and in translating legal victories into reallocations of resources at the same time it notes the bias of pil towards test case litigation a propensity to focus on judicial victories rather than on real social change and a tendency to use lawyers even when other types of professionals might be more effective many of these problems stem from uncertainty of funding and legal restrictions on nonprofit organizations the result is a set of hurdles that distracts pil firms from their principal goals the authors do not limit themselves to pil but comment on the effectiveness of legal instruments as devices for social change and on the behavior of the voluntary nonprofit sector a little studied portion of the economy the book presents a fresh approach to the study of both collective type economic problems and institutional setting in which public interest law works this title is part of uc press s voices revived program which commemorates university of california press s mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1978
